Great Yarmouth and Gorleston Sure Start Children's Centres

NurturePlay Family Sessions

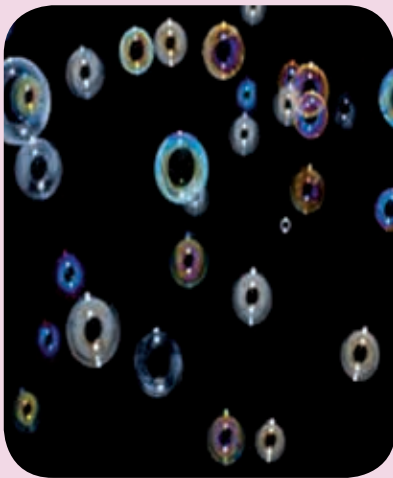

(based on Early Attachment & Theraplay® Principles)

Individual sessions for families. Please book for this group through your Health Visitor or contact our team directly.

Priory Children's Centre

Tues

9.30-4.30

NurturePlay is based on Early Attachment & Theraplay® Principles. The sessions provide quality time to enjoy and try new experiences together, in a nurturing and safe space.

NurturePlay can benefit children with ASD/ADHD or additional needs. We aim to enhance the relationship between the adult and child, by offering weekly fun sessions, on a set day and time.

Theraplay® is a registered service mark of the Theraplay® Institute, Evanston, IL, USA.
