Owlets

A 6-7 week group for families with babies to walking age (0-1 year). Booking is essential as places are limited.

Seagulls Children's Centre
Priory Children's Centre

Tues
Thur

1.00-2.00
1.00-2.00

A warm, welcoming group to help parents build relationships, chat and support one another with having a baby.

A selection of toys is available for the babies to enjoy and a topic chosen by the group will be discussed and parents will be able to offer help and support to each other. Previous groups have discussed sleeping, weaning, going back to work, but the subject is set by the group's interests.
